

Press Release

March 2020

FOR IMMEDIATE RELEASE

26/03/2020 14:00

The Mix 96 Tour de Vale Postponed until 20th September 2020

In light of recent developments and after listening to the latest advice from the UK Government, it is with a heavy heart that we have decided to postpone this year's Mix 96 Tour de Vale Charity Bike Ride to **Sunday 20th September 2020**.

After much consideration we believe that this decision is the correct one, in order to protect the health and wellbeing of the participants, supporters and volunteers, as well as the WheelPower and Stadium teams.

“We love organising the ride and work hard to make sure that our riders enjoy the day in a safe and happy environment. We hope that this decision will reassure you of our commitment to this year's event. Please continue your training over the summer months and we look forward to seeing you on that start line in September.” Jo Hall, Race Director.

Entries remain open for the new date and we hope that you can join us on Sunday 20th September for an all ability bike ride around the beautiful Buckinghamshire and Oxfordshire countryside.

For all the latest information on this year's event please continue to check our social media channels and website www.tourdevale.com

Thank you for your understanding. Your support during this time would be most welcome as we continue to help those in need; now more than ever.

Notes to Editor:

About WheelPower

We have been providing opportunities for people with physical impairments to take part in sport for over 70 years. Based at Stoke Mandeville, the home of the Paralympic movement, WheelPower is at the heart of wheelchair sport.

From first-timers to Paralympic medallists, we support and promote participation at all levels. We have seen how playing sport can enrich lives, offering tremendous physical and psychological benefits, whatever your age or ability.
