

## LOCAL WALKING ROUTES

### Aylesbury Walks

**Outer Aylesbury Ring** - For a long challenge that can be done in sections there is this walk which is a fully signed route. Some sections can also be walked individually as circular walks and each section has a [guide](#). See here: <https://sites.google.com/view/outeraylesburyring/home>

**Aylesbury Ring** - A shorter signed route, but still more than most people could do in a day. It could be done in sections, and as it crosses the main radial roads, public transport could be used to get to starting places and from end points. See here: <https://www.aylesbury-ramblers.org.uk/the-aylesbury-ring>

**Round Aylesbury Walk** - The oldest and shortest of the walks devised by Aylesbury Ramblers.
